DISMAL SWAMP FIRES -The fores fires which have been raging in the D s mal Swamp for some weeks have broken out afresh, and millions of feet of timber have been destroyed. Three miles of a railroad have also been burned over. Reports from lower Norfolk county and Camden county, N. C., show that the forest fires have done at most incalculable damage to growing timber and other property. Three miles of the Norfolk and Camden Railroad has been entirely destroyed The roadbed, bridges and ties are burned, and the rails twisted out of shape The fire has been raging since about the 1st of July, and is now burning the pest underground, and a number of hard rains will be necessary to extinguish it. QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civi-lized world. Your mothers and grands mothers never thought of using anything else for Indigestion or Bilious ness. Doctors were scarce, and they seldom heard of Appendictis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and had with beadaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by Ernest L Allen, Claud M.
